Public Meeting with Thach Setha in Lyon, France on SEPT. 05
[Delegation from Paris, Marseille, Chambéry, and Toulouse...]

[Mr. Thach Setha, KKC & KYAD delegation had conducted research on historical Khmer Krom documents at A.N.O.M. for the second time in the post-2014 Mass Demonstration to protect Khmer history after Vietnam failed to apologize to the Khmers publicly for falsely claiming Kampuchea Krom belongs to Vietnam for a long time.]

These priceless historical Khmer Krom documents to benefit the whole Khmer nation, not Khmer Kampuchea Krom people due to Khmer Krom, Khmer Kandal, Khmer Ler and Khmer Islam are 'One Khmer.'
